Northwest corner of rear border Cottage Garden

- Gardens feature nearly 1000 bulbs and rhizomes plus perennials and self-seeding annuals for **very low** maintenance
- Landscaping is carefully organized with respect to color, height, and sculptural effects, as well as long term development
- Gardens provide 4-season interest and 3 seasons of cut flowers

Northeast corner of rear-border

Plant List: 502 Sunflower Street, Savoy

Number	Common Name	Latin Name	Plant Type	Flower Color	Description
